

# GATES MOBILECRIMP™ 4-20

## MobileCrimp™ 4-20 Digital Dial Package

If you need factory-quality assemblies on the job site, there's no better hydraulic hose crimper than Gates new, state-of-art MobileCrimp 4-20. MobileCrimp 4-20 is light, versatile, yet powerful enough to crimp hose up to 1-1/4" four-spiral hydraulic hose.

Designed based on recommendations from those who know crimping best -- people who do it for a living. Its light, easy to use, versatile ... and affordable.

## Digital Control

Simple and Economical. Just dial in the appropriate crimp setting and push the start button. A light comes on and a buzzer sounds when the crimp is complete.
