

QUIK-TACH VALVE KIT

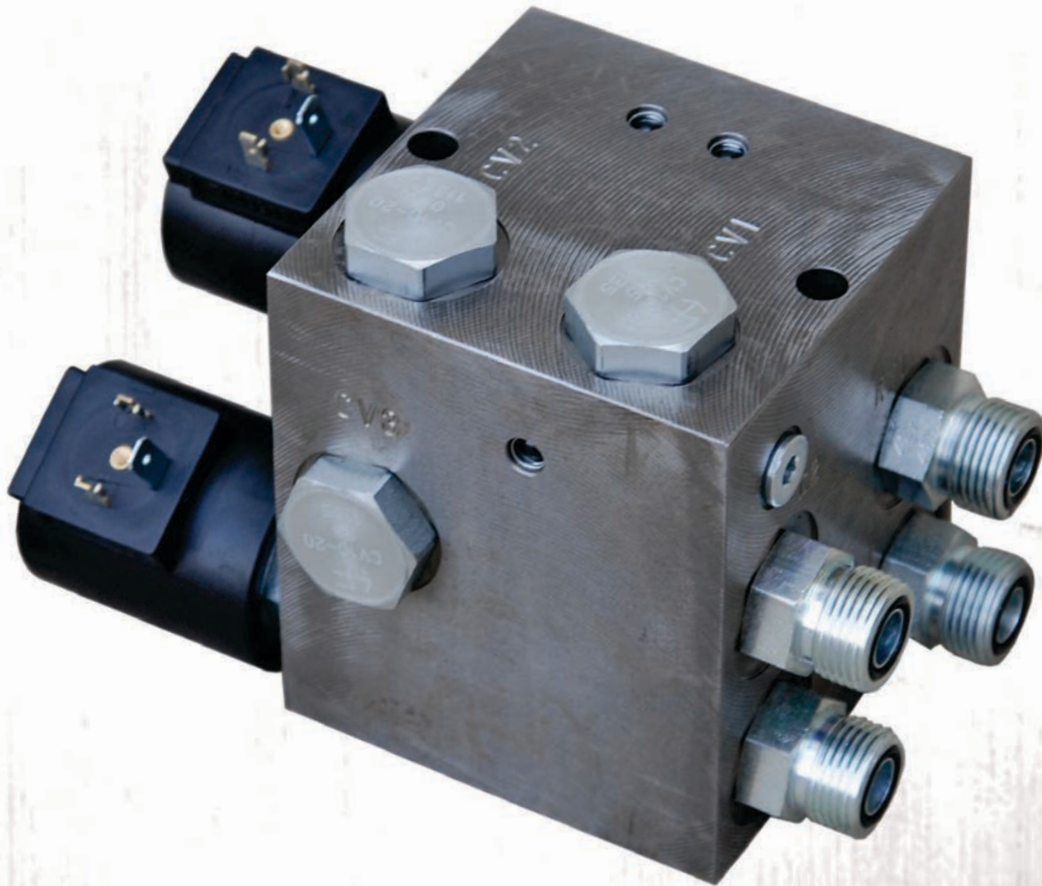

Easy, All-In-One Kit

Our DFP Quik-Tach Valve Kit is for use with many makes of Excavators. Run your Excavator Quik-Tach attachment without OEM parts. This valve kit can be completely customizable to fit your application needs. Call your local DFP Sales Rep. for more information.

Part #: DFP120221

Features & Benefits:

- The valve tees into the bucket cylinder hoses to run the coupler cylinder to attach and unattach the bucket.
- 12 or 24 volt coils to run valve.
- We can adapt the valve to different fittings for Flat Face, JIC, ORB, NPT fittings.
- DFP's electrical department can make different electrical controls to run the valve from the cab.
