

# STEEL SPLIT FLANGE PORT PLUGS

## Great For Permanent Applications

Split flange port plugs are most commonly used in permanent applications when a Code 61 or 62 flange port needs to be capped off under full system pressure. These types of fittings are most commonly used in the construction equipment market.

## Kit Components

- Split Flange Port Plugs Ranging in Size (14)
- O-Rings Ranging in Size (40)
- ZP799900 Plastic Carrying Case (1)

Part#: 101925
